EDUCATION

Ashdown University of Technology

Faculty of Nectars Production and Quality Control

Ashdown Forest, England

10/1949–07/1954

PhD in Honey Brewing.

Thesis: The optimization of fructose and glucose collection algorithms.

Member of the National Science Center grant no. HON-01-0002.

Ashdown University of Technology

Faculty of Sports, Leisure, and Dietetics

Ashdown Forest, England

10/1947–02/1949

MSc in Finger Licking. Grade: excellent (score: 100% avg.)

Thesis: On honey taste sensing changes with the fingertips humidity variations.

Ashdown University of Technology

Faculty of Consumption Metodologies

Ashdown Forest, England

10/1943–09/1947

BSc in Honey Production Engineering and Management. Grade: very good (score: 90% avg.)

Thesis: Agile techniques for managing international bee colonies.

PROFESSIONAL EXPERIENCE

Ashdown Honey Factories, Inc.

CTO

Principal Manager

Associate Manager

London, England

03/1964–ongoing

03/1957–02/1964

10/1954–02/1957

- Directly controlling honey production and sales for the Central Europe market.
- Optimized and increased production quality by 30% in 1963 by introducing 10 key performance indicators which resulted in \$2B income.
- Reduced production costs by 50% by adjusting bee colonies headcount.
- Skills: Spreadsheet, Spoon, Fork, Knife.

Christopher's Fridge

Quality Assurance Engineer

East Sussex, England

04/1947–09/1954

- Tasted over 400 jars of worldwide honey.
- Sorted all honey by taste, reported to Christopher what he should buy next.
- Kept honey from crystalizing by reacting accordingly and consuming it ASAP.
- Skills: Hands, Belly, Mouth, Boxes to reach cupboard.

TEACHING EXPERIENCE

Ashdown University of Technology

Honeycombs modeling; Introduction to belly massage techniques

Prepared and presented materials on honeycombs engineering and cross-belly massaging.

Ashdown Forest, England

1950–1954

SKILLS

Programming: Tasting, Eating, Consuming, Smeling, Ravening,

Hardware: Jar opening, Food boxes disassembling, Dishes preparing,

Other: Honey integration testing, Honey unit testing, Honey end-to-end testing, Honey smell testing, Honey-to-mouth automation,

Language: Toy's (native), Human English (full professional proficiency), Bee's (intermediate proficiency),

Soft skills: Honey-oriented, Food goal-driven, Being cute and charming for conflict resolution,

GRANTS & AWARDS

The first prize winner in the contest for the cutest bear worldwide International Bear Association	05/1948
Distinction in the honey barista cupping championships Honey Cupping Championships	03/1947

COURSES & CERTIFICATIONS

Certified Scrum Master for Honey Development Agile Bears Association	10/1950
Eat a cookie and have a cookie - a workshop for beginners Ashdown University of Technology	11/1944

SIDE PROJECTS

Playing a side character in a movie about his friend Tigger Some other large movie company Skills: Acting, support, role-playing, comedian	09/1953–06/1954
Playing a main character in a movie about himself Some large movie company Skills: Acting, role-playing, comedian	01/1950–09/1950

VOLUNTEERING ACTIVITIES

Eeyore Attaching Eeyore's tail	Corner of the Hundred Acre Wood, Englang 01/1930–ongoing
Piglet Providing courage and mental support to Piglet	Hundred Acre Wood, England 06/1929–ongoing
